

Women of the kingdom

This is the day that the Lord has made; let us rejoice and be glad in it.

Greetings to all the saints in the mighty name of our Lord and Savior Jesus Christ!

September has arrived! This month we celebrate Bishop James' 80th birthday. We would like to take an opportunity to show him how much we love and appreciate all that he has done throughout the years. Revivaltime Tabernacle would not have been here if he had not answered the call many years ago. This brings me to my question, have you answered the call? Are you doing what God wants you to do? God has a plan and purpose for our lives here on earth. There are people who are depending on you. You are the answer to their problem. You are the person who is going to meet their needs. We just need to say yes and step out on faith and do His will. I encourage you this month to release everything to Him and say yes. I believe that God will bring new businesses, start organizations and create new ministry opportunities through you. If you have any doubt in your mind, remember that you can do all things through Christ who gives you strength.

Love you all and God Bless,
First Lady Rosenda James

Expect the best

Our lives are filled with many ups and downs. Everything can be going well one minute, and in the next minute everything can change. Life carries many uncertainties. God never promised us that we would have a problem free life but he does promise to take care of us. As believers, we don't need to live hopeless lives. We have hope! Hope means to Have Only Positive Expectations. When you put your faith and trust in God, you will be amazed at what He will do. As a parent, I know that I want to provide the best for my children. There is nothing that I wouldn't do for them. How much more does our heavenly Father want to take care of you? There is nothing that he can't do. You must believe God for a positive outcome. This month I challenge you to only expect God to provide his best for you. As Joyce Myer would say, "Every day when you get up declare, today I am expecting great things to happen in my life."

Have an awesome September!

Abundant Blessings
Pastor Bridget

This month we celebrate our beloved Bishop, Dr. Audley N. James' 80th Birthday.

We are so blessed to be under the leadership of a great man of God who exemplifies a life of character and integrity. He has worked tirelessly throughout the years sacrificing his life for his church and the community. Many lives have been changed and transformed through his profound Biblical teachings. He is a blessing to all that he comes into contact with. We honor and love you Bishop!!!

Happy Birthday! May God continue to strengthen and keep you as you continue in the work of the Lord.

Blessings,
RTT Women of the Kingdom

FINANCES AND GOD'S PLAN BY: VIOLET ROBINSON

We all know that putting our full trust in the economy, your job, your employer or your bank account is not a good idea.

Philippians 4:19 -- And my God shall supply all your needs according to his riches in glory by Christ Jesus.

We all know that putting our full trust in the economy, your job, your employer or your bank account is not a good idea. They all can be helping you one minute and offer you the security your desire and then in the next minute it can all changed and that security is gone.

In all of Life's uncertainty, one fact remains constant and that is God's faithfulness, we can trust that he will always be faithful to supply our needs. It doesn't matter if you are experiencing financial crises or feeling confused and disheartened in your attempt to create financial stability God will always be faithful to his promise and he will supply our needs. Sometimes in ways that we expect and understand and other times in ways we have no idea how God works it out.

Making plans to have a healthy financial future is always in the God's plan for our life. We should always try to have the knowledge and understanding needed to help make a good decision while seeking God's guidance in our plans and our financial decisions.

In this article, I want to explore a few of the financial plans that always have a lot of questions surrounding them. I am by no means an expert in any of these topics and you should always do your research to make sure these financial practices will work well for your financial needs

A big one is Insurance Policies and its place in our life... needs according to his I believed every person should have a life insurance policy whether it's a Whole Life or Term.

augment our retirement plan. Government can also change laws surrounding funding, none of us know what changes will be in place by the time we reach retirement. Different laws could be in place that would totally change what we expected. We can think of retirement income as a basket with money from a corporate plan; our saving and the government. Saving a small amount in an RSP will add up over the years that can be a lot of benefit during the retirement age.

Also having a Registered Education Saving Plan (RESP) for those of us with young children is very beneficial to save towards our children College & University Fee. The monthly payments may at times seem daunting but having that money when your son or daughter is going off to college will be an incredible feeling of blessing you understanding that God was in that plan that help us to find that payment every month. My son just got accepted into college and it was such a relief and a total blessing knowing I have some fund put away to help pay some of the fees. Also, another advantage of having an RESP is being eligible for the Canadian Education Saving Grant, the government can contribute up to \$7,200 to participating RESP.

These are just a few of the financial decisions that I think can be beneficial to us as we plan our financial future. With us not knowing or understanding what our future needs are and what the future hold I believe God is giving us the knowledge and understanding to make plans and decisions that will benefit us in the future.

Matthew 6 tell us about Gods promise to cloth and feed us as he does the birds of the air and he is not slack concerning his promises, having financial plans are good decision but we must obey and observe God's financial wisdom. God's financial wisdom is builds to last not to impress others.

An insurance policy is especially important if you have young children. I know the apprehensions that comes with paying for insurance, we all know that the insurance companies are all into this business for themselves and the profit that they can make, but leaving a love one especially a child protected in my opinion out-weighs the pain of signing up with these Insurance companies. Having that security in knowing that if anything happens to you or your spouse and you are taking away early, your children will have some money that can help them transition them into a place where they are more independent.

So even having a term insurance when your children are still in school is better that having none. Just to expand a little on the different between a whole life and a term Insurance. Whole Life insurance cost more than term insurance for a comparable amount of coverage, but the premium for whole life will remain the same for the life of the policy. While term insurance cost less but it's only for a term like 10 or 20 years then the premium begins to increase significantly. The benefit of a whole life insurance is that it covers you for life and is a better option, but term insurance can give you much needed immediate security. Term can be used for temporary additional coverage with a permanent life insurance for extra insurance, in some of the most vulnerable times in our life for example when your children are young. Deciding on whole life insurance, term insurance or a mix of both depends on your needs. Insurance can help a family during major illness or disability, it can be a wise way to protect the assets and income God bless us with.

Another financial decision is having a Pension Plan, there is the misconception that having our own pension plan will result in not being able to benefit from what we contribute into the Government Pension Plan.

This is not true, having some funds put away to help after retirement is always a good plan, the CPP and OAS were meant to

PRAYER CORNER BY: MARGARET MACKENZIE

Have you every wonder about God's delay promises. First those promises started back in the book of Genesis.

God told Noah to build an ark, because the people on the earth has become wicked has no regards for his commandments. (Gen 6 :5) Then the flood came all the people of the earth was destroyed except Noah and his family.(Gen.7:1)

Abram before his name changed to Abraham God told him he was going to give him a child by his wife Sari, whose name also was changed to Sarah. In their old age they had a son name Issac (Gen 12 : 1-3 & 21:3)

There are many more promises in the bible that were delayed and God fulfill them. There are many more waiting to be fulfill. Our Youth conference Theme Ready to Receive Ibelieve was a simple but an effective title. If you are promise something would you not keep a look out watching and waiting at all times.

Lord we pray that as we wait to receive what you have promised to us. Help us not to lay claim for what was not promise to us.

Lord we thank you for always working behind the scenes on behalf of us. Amen

To everything there is a season, A time for every purpose under heaven

THE POWER OF PRAYER

BY: CHERALDEAN DUHANEY

Prayer is how we communicate to God. It is the foundation of building an intimate relationship with Jesus Christ, it's through the power of prayer we confess our sins to God believing by faith that he hears and we are forgiven, which makes us new creatures in him.

Prayer is the key and entrance to the heart of God. Prayer is the key to unleash ourselves from heavy burdens, bondages and fears. Psalm 34:4 David said "I sought the Lord and he heard me, and delivered me from all my fears". In other words David is saying, I Pray to the lord and through hearing me crying out in prayer I was set free from the spirit of fear! Can prayer do the same for you? Yes!

Everything we desire in God for our lives is fulfilled or accomplished through the Power of Prayer. Mathew 6:33 "Seek he first the kingdom of God and his righteousness and all these things shall be added."

Prayer Renew our spirit in God, when David sinned he cried out to the lord in prayer. Psalm 51:10

"Create in me a clean heart oh God and renew a right spirit within me."
The Power of prayer can released you

from any prison that you are in, both physically and Spiritually. It was through the power of prayer Peter miraculously escaped prison, in Acts 12. Omg! I'm getting excited!! can prayer miraculously do the same for you? Yes!
Let us all tap into the Power of prayer and watch God miraculously answers them all.

Here are few prayer questions below answer them by praying, and don't forget to share your testimonies God bless.

- (1). What do you desire for God to do in your life and your family?
- (2). What are some of the fear and burdens in your life you want God to deliver you from?
- (3). What is it you are miraculously believing God to do in your life?

DANCE BY: LORRAINE ROWE

I dance for Him
I dance with Him
I dance because of Him
His presence is like the wind beneath the wings of a butterfly
I raise my hands to catch His wind that carries me high above the cares of this world
I feel His love and approval wraps around me on every twirl
Freed from every brokenness and strife on every leap over the disappointments of life
The flag is raised in victory for we know the battle is already won
And so I dance for Him
And so I dance with Him
And so I dance because of Him
The lover of my soul-Jesus
